

Hamdy Mohamed Elassal

+20 1091694694 | hamdymohamedelassal@gmail.com | github.com/Hamdy1111 | linkedin.com/in/hamdy-elassal

Summary | Fresh graduate in Computer Science from the Faculty of Computer and Information, Assiut University. Passionate about artificial intelligence and committed to continually expanding my knowledge in the field. Interested in engaging with the job market and applying my skills in real-world, practical settings.

Projects

Arabic Sign Language Recognition System

Apr 2024 – Jun 2024

- Built a deep learning model for Arabic Sign Language gesture classification
- Collected and preprocessed image data; applied normalization and augmentation
- Trained and evaluated model to achieve high prediction accuracy

Alzheimer's Disease Diagnosis

Nov 2024 – Dec 2024

- Developed a machine learning pipeline for early-stage Alzheimer's detection
- Applied image preprocessing and feature extraction to enhance data quality
- Achieved high classification performance on medical imaging datasets

Sudoku Solver with Tabu Search

May 2025

- Developed a Sudoku solver using the Tabu Search metaheuristic algorithm
- Implemented GUI using Tkinter to allow user input, hint generation, and full solving

Arabic Programming Language Compiler

Dec 2024

- Designed and developed a custom compiler for an Arabic script programming language to support Arabic-speaking beginners.
- Implemented core compiler phases: lexical analysis, syntax parsing, and semantic validation using Python.
- Built a user-friendly GUI using Tkinter that supports Arabic script and displays error messages after code execution.

Education

- Faculty of Computer and Information, Assiut University

2021 – 2025

Bachelor of Science in Computer Science

- CS50's Introduction to Programming with Python – Harvard University (Online Course)

2023

Skills

Languages : Python, C#, C++

Concepts : Machine Learning, Deep Learning, Algorithms, Backend Development, OOP, Data Structures

Frameworks: ASP.NET, Windows Forms

Databases : MySQL

Languages

- Arabic: Native
- English: Intermediate

Personal Skills

- Strong problem-solving and analytical skills
- Effective teamwork and collaboration
- Adaptability and continuous learning
- Strong communication and presentation
